Ok – I'll organize a meeting between EPR & ECEJ – do you want to be involved in this 1st internal meeting?

I think EPR and ECEJ first. Sorry about the confusion.

Martin – You're suggesting an internal meeting 1st. With whom do you want to meet 1st – you and the EPA team? Or you, the EPA team and the RA or?? Let me know and we'll get something scheduled.

FYI

It sounds like we should explore with our state and federal partners what our "papering off" options are, if any and then develop our approach and collective response to SGC. May need an internal meeting first?
